## **Dedication**

To every young dreamer, visionary, and changemaker—

This book is dedicated to you. May these words ignite the fire within, awaken your potential, and empower you to take bold steps toward financial independence.

To those who refuse to settle for less—may you embrace the mindset of abundance, break barriers, and create lasting wealth.

And to my family, mentors, and all who have supported my journey—your belief in me fuels my mission to inspire the next generation of wealth creators.

You are created to create wealth. Now go and build!

— Dr. Patricia Ikiriko

## Epigraph

*"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."* — 3 John 1:2

"You are created to create wealth." — Dr. Patricia Ikiriko

Wealth is not just about money; it is about mindset, vision, and action. The path to abundance begins with a transformed mind and the courage to build something greater than yourself.

Let these quotes challenge, inspire, and equip you to step boldly into your financial destiny.

## Promotional Pages

Dr. Patricia Orlunwo Ikiriko is a visionary leader, transformational thought leader, and financial empowerment strategist dedicated to helping young people unlock their full potential and build sustainable wealth. With over 25 years of experience as an educational psychologist, she has mentored countless individuals, equipping them with the tools to navigate the evolving digital economy, develop thriving businesses, and create lasting financial legacies.

As the founder of the *Young and Influential Academy* and *Wealth Creation Hub*, Dr. Ikiriko is committed to empowering young entrepreneurs with innovative strategies, mindset shifts, and actionable insights to achieve financial independence. She is also the author of the Amazon bestselling book *Think, Idea, and Create Wealth*, where she provides practical guidance on turning ideas into profitable ventures.

Her passion for youth development, leadership, and wealth creation is driven by her core belief: **"You Are Created to Create Wealth."** Through her books, masterclasses, and mentorship programs, she continues to inspire the next generation to rise above limitations, embrace opportunities, and make an impact in the marketplace.

## Why This Book?
